## INTRODUCTION

**Manycon** is one of the leading passive fire protection and specialty Contractor in Saudi Arabia. Manycon was started in 2016 in the region. Since then, we have become a familiar and trusted brand in the construction industry related to our scope of work. As of today, Manycon Operates in following countries: Saudi Arabia, Qatar, UAE, Bahrain and India.

**Manycon** is UL (Underwriters Laboratories) certified passive fire protection contractor. We have wide range of passive fire-protection applications which helps to maintain the safety of public and private /commercial / historic buildings in the Kingdom. In addition to passive fire protection, we have many other specialized applications related to construction industry.

**Manycon** responds to meet the demands of an ever-changing construction industry. We aim to deliver top quality products and services at a competitive price, excellent customer service and most importantly, to give reassurance that the job is done correctly, on time. Since its inception Manycon is on steady growth path with increasing number of satisfied customers in the region.
